MAKE IT
MATTERS

STORY BEHIND

Lina Ana Setiyani, S.H. is the visionary behind the establishment of Qiahome.id, which has now successfully become one of the most trusted providers of fabricated furniture. Here is her inspirational journey that laid the foundation for Qiahome.id.

Lina Ana Setiyani, S.H. was born in Grobogan and grew up in Semarang, where she discovered her passion for visual design and furniture making at a young age. Inspired by works of art and the beauty of architecture, she decided to venture into the field of interior design.

Not stopping there, Lina Ana Setiyani, S.H. expanded her business by establishing Qiahome.id to pour her ideas and concepts into furniture products without compromising on quality, ensuring satisfaction for every customer.

Today, under the leadership of Lina Ana Setiyani, S.H., Qiahome.id has become one of the leading players as a manufacturer of fabricated furniture. As we aspire, "Furniture for a Better Future," our products are now known for their quality, innovative designs, export-standard quality, and consistently excellent customer service.

Lina Ana Setiyani, S.H. believes that the key to success as a provider of fabricated furniture lies in the combination of innovation, dedication, and attention to detail. She continually encourages her team to think creatively and innovate in all aspects of the business. This visionary and inspiring leadership has fostered a dynamic company culture.

The Future of Qiahome.id

With a commitment to continually providing the best and most sustainable furniture products, Qiahome.id plans to expand its reach into larger international markets.

Qiahome.id believes that, based on the vision and mission we uphold, our products will become the top choice for customers seeking high-quality furniture.

Vision:

To become an innovative and high-quality fabricated furniture company that meets customer needs.

Mission:

To provide a diverse range of innovative and high-quality fabricated furniture.

To deliver superior customer service with a focus on customer satisfaction and needs.

To build long-term relationships with partners based on trust and integrity.

Products and Services

Qiahome.id offers a variety of fabricated furniture products designed with both functionality and aesthetics in mind, including:

Tables and Chairs

We provide a range of table and chair models that can be used as coffee tables, work desks, corner tables, and dining tables. Various shapes, colors, functions, and sizes are available at Qiahome.id.

Cabinets and Storage Furniture

We offer functional, efficient, and stylish cabinet designs suitable for both B2B and B2C needs.

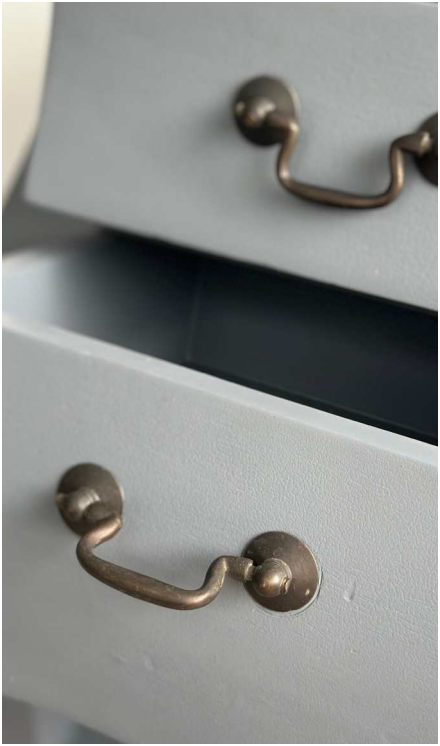

- **Entertainment Center Cabinet:**
Large cabinet for housing the television, entertainment systems, and decorative items.
- **Buffet/Sideboard Cabinet:**
Low cabinet with drawers and doors, often used in the dining room to store dinnerware.
- **Storage Cabinet:**
cabinet for storing office supplies and other items.
- **Nightstand Cabinet:**
Small cabinet beside the bed for personal items.
- **Dresser Cabinet:**
Chest of drawers for folded clothes and small items.
- **Tall Cabinet:**
Usually used for additional storage

Qiahome's Advantages

Quality

We use only selected raw materials and process them with manufacturing/production standards using modern equipment to produce high-quality products.

Design

Keeping up with current trends and needs in the furniture world, Qiahome has an experienced and highly skilled in-house design team.

Customer Service

We are dedicated to providing a pleasant and satisfying shopping experience for every customer.

Commitment to the Environment

Qiahome is committed to using high-quality raw materials while maintaining a strong commitment to environmental sustainability.

Export Standards & Legality

Qiahome.id adheres to strict export standards, ensuring our products meet international requirements:

Legal Wood:

We use wood from legal and verified sources.

ISO Certification:

Our manufacturing processes comply with ISO standards.

Non-Toxic Materials:

We ensure all materials used are non-toxic and safe.

Tree4Tree:

Trees4Trees™ is a program of Sustainable Green Earth Foundation

Commitment to the Environment

We are committed to environmental sustainability by implementing eco-friendly production practices and using safe and sustainable raw materials.

Paint Waste Disposal Process

We ensure that the paint waste disposal process is conducted safely and in accordance with environmental standards to minimize negative impacts on the ecosystem.

Human Resources

Qiahome.id aims to create job opportunities for the local community, especially for women, within or around the company's work environment.
